- Youth

Events:

- Invasive removal
- Restoration
- Clean-up
- Arbor Month
- Earth Day

Section 4: Core Course Class Selection

The Tree Care Advisor Core Course includes 21 hours of in-person participation and roughly 18 hours of online education. Each Core Course offering is limited to a minimum of 10 people and a maximum of 20 people to ensure individualized attention. You must complete all “modules” of the Core Course in order to become a Tree Care Advisor. Please see “2018 Core Course Curriculum” to view all modules, or topics, covered in the course and “2018 Core Course Schedule Break Down” to view which modules will be covered on a specific date.

Section 4: Agreement

I have carefully selected the Core Course offering that I wish to attend in 2018 and recognize that this application acts as a commitment of participation upon acceptance of my application.

Yes

No

I understand that if there are less than 10 individuals registered for the Core Course offering I have selected, the offering will be cancelled for the year. At that point, I will have the option to either select another Core Course offering that works for my schedule or opt to pull my application for 2018.

Yes

No

I have read all of the requirements listed and agree to abide by them as they pertain to the Tree Care Advisor Program. I understand that the registration cost for this program as a Volunteer is \$170 and the registration cost for this program as Professional Development is \$455. **Do not send the registration fee until you receive notice of acceptance.*

Yes

No
